£75.00

**INCLUDES: CASTRATION, PROTECTIVE COLLAR & 3-DAY POST OP CHECK
(AFTERCARE MEDICATION NOT INCLUSIVE OF PRICE ABOVE)**

WHY SHOULD I CASTRATE MY CAT?

- Reduced risks of cancers and other diseases through mating
 - Reduces spraying and wailing
 - Less likely to roam, get lost and injured on roads
- It's normal to neuter! 92% of owned cats are neutered

WHEN SHOULD I CASTRATE MY CAT?

- It's recommended to castrate your cat at around four months old
